IISRP ANNOUNCES ONLINE REGISTRATION FOR ANNUAL GENERAL MEETING IN SEOUL

HOUSTON, Texas USA – 14 December 2010 - The International Institute of Synthetic Rubber Producers (IISRP) has launched the registration website for its 52nd Annual General Meeting (AGM) in Seoul, Korea on the 11-14 April 2011, according to James McGraw, IISRP Managing Director & CEO.

“Through the outstanding contribution of Kumho Petrochemical, our host member, we have assembled a Speakers Program having broad appeal to the business leaders of our industry,” said McGraw. “*Building for the Future* is the theme of the Institute’s 52nd AGM”, he added.

James L. McGraw
IISRP Manager & CEO

The AGM website provides complete information about the four-day meeting's highlights, such as the business program featuring 12 speakers, committee meetings, a social program, general meeting information, general information on Seoul and registration for the meeting. Also available is a short history of the Institute and its annual meetings. You may access the AGM website by going to www.iisrp.com/agm

The IISRP is an international not-for-profit trade association with corporate members domiciled in 21 countries who produce 90 percent of the world's supply of synthetic rubber. Incorporated in 1960 and headquartered in Houston, Texas, the Institute supports section offices in Milan and Tokyo.
