## **Orgkhim Becomes Newest Affiliate to Join the IISRP**

**Houston, TX USA 29 March 2010**— James L. McGraw, Managing Director & CEO of the International Institute of Synthetic Rubber Producers, Inc. (IISRP) has announced the election of Orgkhim Biochemical Holding as the newest Affiliated Member to join the IISRP. The Company, headquartered in Nizhny Novgorod, Russia, is a major supplier of processing oil and other rubber chemicals to the synthetic rubber industry.

“We are very pleased to have Orgkhim as our newest member on the growing list of affiliates to the IISRP”, stated McGraw. Mr. Arkady Radbil, R&D Deputy Director Professor of Technical Services will serve as liaison to the Institute and his alternate will be Mr. Jerzy Niemczyk, their EU Representative.

The IISRP is an international not-for-profit trade association with 50 corporate members, domiciled in 22 countries, who produce 90 percent of the world's supply of synthetic rubber. Incorporated in 1960 and headquartered in Houston, Texas, the Institute supports section offices in Milan and Tokyo.
