## **IISRP Kick's-off New Year with New Member**

**3 January 2012, Houston, TX, USA**— The International Institute of Synthetic Rubber Producers, Inc. (IISRP) has elected LCY Chemical Corporation as their newest member.

“A new IISRP member is a great way to kick off 2012”, proclaimed James L. McGraw, Managing Director & CEO of the Institute. LCY Chemical Corporation is headquartered in Taipei, having manufacturing operations in Taiwan, China and the United States, with a total capacity of 400,000 metric tons of thermoplastic elastomer.

Mr. Bowei Lee, President and CEO will be the Director Representative to the IISRP and Dr. Chuen-Shyong Chou will serve as the Alternate.

The IISRP is an international not-for-profit trade association with more than 50 corporate members, domiciled in 22 countries, producing 80 percent of the world's supply of synthetic rubber. Incorporated in 1960 and headquartered in Houston, Texas, the Institute supports section offices in Milan and Tokyo.
